

A large crowd of runners is gathered at a marathon starting line. The runners are wearing various athletic gear, including tank tops, shorts, and running shoes. Many are wearing bibs with numbers. The background is a dense crowd of people, some wearing hats and sunglasses. The overall scene is a busy and energetic starting line for a marathon.

Final project: getting started

Approximate schedule

- This week: find a group, design your study, start implementing/building
- Week 7: human subjects training, collect data
- Week 8: analyze data
- Week 9: interpreting results + public poster presentation
- Week 10: wrap-up (paper and final poster)

Slack setup

- Create a channel for your group (bonus points for a creative team name!)
- Invite all group members + TA + me
- Use the channel to brainstorm ideas, share documents and data, ask for project-specific help, etc.

Rest of today: pitches!
